Our Katrina experience was:

Horrible! Our Apartment went completely under water. We all cried because we lost everything. But my moms crosses and glass angels were still standing. So we know that god is watching over us. We don't understand the horrible things but with the love hope & faith in God we will get through this.

Write something special that you would like Santa to bring you or your family:

Everyone to have god in there hearts always. House for my family to live in. And others toys for me and my brothers.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:
